

POWERBAND COMPLETES ACQUISITION OF LEADSOURCE CANADA

Vancouver, British Columbia -- (Newsfile Corp. – September 4, 2018) - PowerBand Solutions Inc. (TSXV: PBX) (OTCQB: PWWBF) (Frankfurt: 1ZVA) ("**PowerBand**" or the "**Company**"), a leading online auction and remarketing platform to buy and sell used vehicles, is pleased to announce, further to its news release of July 10, 2018, the closing of its acquisition (the "**Transaction**") of 1070879 B.C. Ltd., operating as LeadSource Canada ("**LeadSource**"), pursuant to a definitive share purchase agreement.

Based in Kelowna, B.C., LeadSource is a next-generation automotive private sale event marketing company. LeadSource integrates its proprietary consumer conquest methodology with the latest in advanced database mining techniques to harvest qualified, in-equity sales leads through its customer contact centre. LeadSource provides training to the dealership's staff and orchestrates all aspects of the multiday private sales events ("**Events**"), resulting in a dynamic and transparent customer experience that is unlike any other current offering in the marketplace.

The Transaction was completed by the purchase of all outstanding securities of LeadSource by PowerBand in consideration of:

1. \$60,000 cash;
2. an additional \$20,000 cash in the event PowerBand completes 100 Events within 18 months from closing of the Transaction; and
3. an additional \$20,000 cash in the event PowerBand completes an additional 50 Events (for an aggregate of 150 Events) within the same 18 month period.

In order to trigger either \$20,000 milestone payment, the Events completed by PowerBand must meet strict income and margin qualifying requirements.

Furthermore, concurrent with and as a condition of the completion of the Transaction, PowerBand is pleased to announce the engagement of Paul Mountney, founding principal and President of LeadSource, as General Manager of PowerBand, directing LeadSource's Event business as part of the larger PowerBand team. In addition to his base salary, commissions and standard benefits, Mr. Mountney may earn up to 37,500 common shares of PowerBand each year based on the strong performance of the newly integrated LeadSource Event business.

Kelly Jennings, Chief Executive Officer of PowerBand, stated: "We are very pleased to have completed the acquisition of LeadSource, and welcome Paul to his new role with PowerBand. Paul and Powerband's team have developed an extremely efficient and effective national platform for lead generation and Event execution, which will benefit substantially from the implementation of PowerBand's instant LiveNet Auction system. Customers looking to trade in their used vehicle at the Events will be able to watch live bids for their vehicle appear on the dealership's showroom display, providing the confidence that the industry's top buyers are providing them with the best available, real-time, price for their trade-in. The acquisition of LeadSource is part of PowerBand's long term plan to provide dealers and consumers with an efficient solution by eliminating unnecessary middlemen from the sales process. We look forward to generating shareholder value through this accretive acquisition".

Paul Mountney, General Manager of PowerBand responsible for Events, stated: "We are thrilled to have completed the Transaction and eagerly anticipate complimenting PowerBand's

substantial industry contacts, experience and powerful LiveNet Auction system with our proprietary national targeted Event model.”

About PowerBand Solutions Inc.

FORWARD-LOOKING STATEMENTS

This news release contains forward-looking statements relating to the Company and other statements that are not historical facts. Forward-looking statements are often identified by terms such as "will", "may", "should", "anticipate", "expects" and similar expressions. All statements other than statements of historical fact, included in this release, including, without limitation, statements regarding future plans and objectives of the Company, are forward looking statements that involve risks and uncertainties. There can be no assurance that such statements will prove to be accurate and actual results and future events could differ materially from those anticipated in such statements.

The reader is cautioned that assumptions used in the preparation of any forward-looking information may prove to be incorrect. Events or circumstances may cause actual results to differ materially from those predicted, as a result of numerous known and unknown risks, uncertainties, and other factors, many of which are beyond the control of the Company. As a result, we cannot guarantee that any forward-looking statement will materialize and the reader is cautioned not to place undue reliance on any forward-looking information. Such information, although considered reasonable by management at the time of preparation, may prove to be incorrect and actual results may differ materially from those anticipated.

Forward-looking statements contained in this news release are expressly qualified by this cautionary statement. The forward-looking statements contained in this news release are made as at the date of this news release, and the Company does not undertake any obligation to update publicly or to revise any of the included forward-looking statements, whether as a result of new information, future events or otherwise, except as expressly required by Canadian securities law.

Neither the TSXV nor its Regulation Services Provider (as that term is defined in the policies of the TSXV) accepts responsibility for the adequacy or accuracy of this news release.
